Rustic House on north coast of the island. This property has been recently remodelled and have a large space outside with BBQ and garden. Have 3 bedrooms, 1 double bed and 3 single beds, have 2 bathrooms, a full equipped kitchen and dining area. Perfect for family retreat. In Porto da Cruz, one can find Penha d'Águia, an imposing and iconic seaside cliff in the shape of a truncated pyramid, 590m tall. You can climb this cliff through a path in Sítio da Cruz and enjoy the fantastic scenery that this location provides. Praia da Lagoa of Porto da Cruz is probably the best sandy beach of the north. This complex has a wonderful black sand beach for bathing, a new solarium with good access to the sea, vigilance during the summer, showers, playground, snack bars and restaurants. This beach is also popular amongst surfers.
